Dear Friends,

There are many milestones in life - and certainly you have reached a special one.

Congratulations to everyone at Nova Southeastern University on the school's 50th anniversary!

Over the past half-century, Nova Southeastern's student body has grown from just 17 students to the nearly 27,000 it has on campus today. With the over 150 degree programs it offers, and the roughly 250 research projects it has currently under way, NSU has truly become a thriving center of academic excellence.

Such achievements come as a result of hard work by dedicated individuals. So, congratulations again to everyone at Nova Southeastern for all that you have accomplished these last 50 years. And I wish you nothing but the best as you look forward to the next 50 years.

Sincerely,

A handwritten signature in blue ink that reads "Bill Nelson".
